

Bennu

2024 White Wine Blend

Willamette Valley

Where it's from:

A greatest-hits compilation of Willamette vineyards and grapes that all decided to play nicely together. Brother and sisters from another mother.

The Vibe:

Bright lift. Easy energy.

This is the bottle that vanishes while you're still talking about the first sip. Light on its feet, floral and fresh up front, crisp and focused through the middle, and quietly electric on the finish.

Playful. Clean. A little wild underneath.

Made for porch hangs, road-trips, beach cold plunges, and "just one more" nights.

Aromas & Flavors:

Citrus

White Peach

Tropical
Fruit

Floral Lift

**Looks light. Drinks deep.
Polite on the nose.
Dangerous on the pour.**

Structure:

- Light-medium body
- High freshness
- Serious drinkability

**Blink and your glass
is empty.**

The Blend:

An exotic white built for brightness, tension, and dangerously easy drinking. Five grapes, zero rules — Chardonnay, Pinot Noir, Pinot Blanc, Pinot Meunier, and Pinot Grigio — blended to hit the sweet spot between juicy and clean.

Winemaking (Kept Simple):

- Whole-cluster pressed
- Cool fermentation to preserve lift and aromatics
- Aged entirely in stainless and neutral vessels
- No additives. No shortcuts. No costume changes.
- Just clean winemaking and fruit that shows up ready to perform

Pair it with:

- Late afternoon sunlight
- Road-trip playlists
- Fresh seafood & oysters
- Pool days and porch nights
- "Let's open just one more" energy
